## Bullets and Numbering

Bullets and numbers should be indented 1 cm from the left margin and hanging indent should be 0.5 cm. Each line of bullets and numbers should be single spaced.

## References

References should be indicated in the typescript by giving the author's name, with the year of publication in parentheses, as detailed in the APA style guide. All lines after the first line of each entry in your reference list should be indented one cm from the left margin (hanging indentation). If several papers by the same author(s) and from the same year are cited, a, b, c, etc. should be put after the year of publication. The references should be listed in full at the end of the paper in standard APA format. For example:

### For Books:
